The Commissioner is hereby authorized to charge the amount of \$0.00 to Deposit Account 50-2613 to cover the required fees for submission of these documents, and a copy of this authorization is attached.

Applicant notes that the Notice of Missing Requirements calls for a government surcharge in the amount of \$1,716.00 for additional claim fees. Applicant's representative contacted Ms. Barbara Campbell on June 19, 2009 and pointed out that Applicant claimed small entity status at the time of filing the application.

Ms. Campbell informed Applicant's representative that she had entered the wrong fee code, which caused the system to generate the large entity fees, but that she had since updated the application status in the system.

Applicant's representative further pointed out that the additional claim fees were authorized to be charged to Deposit Account No. 50-2613 at the time of filing the Petition for Revival on October 1, 2008 and no further fees were owed by Applicant.

Ms. Campbell confirmed that the extra claim fees had been received by the Office and informed Applicant's representative that once the missing requirements were met, the system would be updated. Accordingly, it is respectfully submitted that the application is now complete and that all requirements under 37 C.F.R. 1.497 (a) and (b) have been satisfied.

The Commissioner is hereby authorized to charge payment of any additional fees associated with this communication or credit any overpayment to Deposit Account 50-2613.

It is respectfully requested that an Updated Filing Receipt be issued and the subject application be placed upon the files for examination.
